

Andrew Rundle-Keswick

Mac Operator and Web Developer

Skills

Experience

2002 – Current

I have been working as a senior Mac Operator for the last 15 years. Some of the clients I have worked with include:

- Aim Proximity
- Clemenger BBDO
- Comm Arts
- Creature Design
- DNA Design
- Fitzbeck Creative
- Fresco Advertising
- Insight Design
- Megalith Pre-Press
- Ocean Design
- Ogilvy Advertising
- Origin Design
- Promotus Advertising
- R+R Robertson Consultants
- Wakefields Digital

To see some Print examples visit my [Print Portfolio](#). I also Develop Web Sites [WebPageBuilder.co.nz](#).

Some examples of websites I have built/updated:

- [Zenithnz.com](#). The Client wanted to show off Zenith's great features on all devices, a responsive, full-screen photo WordPress theme was chosen for great results.
- [Prolineengineering.co.nz](#) Using Woo Commerce I help Proline Engineering move to selling products online.
- [Kakarikigames.co.nz](#) I helped the Client update a new responsive theme with her design for her new product launch using WOO.
- The [Consultusgroup.co.nz](#) site has a custom built WordPress theme. I updated the theme to the clients requirements.

For more Web Page Builder examples view my [Web Portfolio](#).

- **1994 – 2002** Clemenger BBDO (Full-time Mac Op)
- **1993 – 1994** Cue Design (Full-time Mac Op)
- **1989 – 1993** Mobile Mac Skills (Freelance Mac Op Australia)
